Coffee Etiquette

Please be courteous to your fellow employees.

1

IF YOU DRAIN A POT OR LEAVE VERY LITTLE LEFT MAKE A NEW POT DON'T SIMPLY TURN OFF THE BURNER AND WALK AWAY

2

IF THERE IS LESS THAN A FULL POT BETWEEN THE 2, POUR ONE INTO ANOTHER AND MAKE A FRESH POT

It only takes **30 seconds** to put the coffee into a filter and push a button if this is too difficult, *maybe you should switch to tea.*
